

AQUA-AEROBIC SYSTEMS, INC.  
A Metawater Company

# MEMBRANE SYSTEMS

## INNOVATIVE SOLUTIONS

- Submerged and External Designs
- Employs no-break Polymeric or Ceramic Membranes
- Used for Treating Wastewater, Drinking Water, and Industrial Process Water
- Energy Efficient with Low Cost of Ownership

## Time Based Activated Sludge<sup>SM</sup> Systems

Aqua-Aerobic<sup>®</sup> MBR  
Membrane Bioreactor System

AquaMB Process<sup>®</sup>  
Multiple-Barrier Membrane System

## Aqua MultiBore<sup>®</sup> Systems

P-Series Polymeric Membranes

C-Series Ceramic Membranes
