
CONSIGNMENT PROGRAM

Aerators and Mixers

- Determine other alternatives such as rental or extended payment terms with option of returning the unit
- Consider preference and availability of reconditioned equipment or new inventory
- Determine if consignment will result in order or just demonstration
- Define agreed upon performance parameters
- Consignment period not to exceed 3 months
- Accessories, freight and start-up supervision are specific to the project and must be purchased
- No commission is paid on consignments unless converted into rental or purchase

OxyMix® PURE OXYGEN MIXER

The OxyMix Pure Oxygen Mixer is a high purity injection device. Injecting oxygen with power of the AquaDDM mixer increases the oxygen transfer efficiency.
