## **Co-Sponsored Success Story Mailing Program**

Reps can promote Aqua-Aerobic products using an existing Success Story as a direct mailer. You can choose the Success Story from our website and we will customize it with your contact information and company logo.

We will also contribute to the cost of printing 1500 full color copies on 80# glossy paper (a \$300 value), and shipping the mailers to your office at no charge.

*Please refer to [www.aqua-aerobic.com](http://www.aqua-aerobic.com) to see all of available Success Stories.*

### **The Rep's Responsibility**

- Rep coordinates the promotional mailing using their contact list and labor. The rep also incurs postage costs

*Note: Each additional Success Story mailer will cost you only \$150 each (based on 1500 copies). A maximum of (4) mailers per rep firm per year.*
