RE: Introducing **LEARN \$ EARN** Online Rep Training Series

Dear Aqua-Aerobic Representatives:

Are you tired of watching repeats of last year's sporting events, losing at Monopoly for the tenth time, or counting the number of squares in a toilet paper roll to see how many more days it will last? Maybe you just need a media break from everything COVID-19?

Aqua has been preparing for this and we are ahead of the game with a guaranteed solution for getting you through this "new normal" and providing you with a tool to keep you doing what you do best—promoting and selling Aqua!

Introducing **LEARN \$ EARN** - a new online rep training series that will feed your brain with the latest information on Aqua-Aerobic products and technologies, including: selling strategies, case studies, new applications and competition updates.

Each **LEARN \$ EARN** will be 45 minutes in length,

easily accessible from your computer using Zoom

conferencing and provide interactive components, a dedicated Q&A section, real-time audience polling and maybe a fun contest or two. Our first session will be presented:

**Tuesday, March 31 at 10:30 a.m. (cdt)**

**AquaNereda: 1<sup>st</sup> Plant Startup, Performance Updates and Selling Strategies**

**Presenter: Joe Tardio, Product Manager, AquaNereda®**
