

- A Regional Seminar should not replace the Process & Product Application or Project Workshop seminars

## **The Rep's Responsibility**

- Provide an invitation list of potential attendees
- The expense is split between Aqua-Aerobic and the hosting rep, not to exceed \$1500 each

## **Co-Sponsored Trade Shows and Exhibit Materials**

Aqua-Aerobic Systems provides various exhibit and display materials to our representatives for use in regional and state shows. These materials are available on a first-come, first-serve basis:

- Pull-up graphic banner stands with lights
- Product display models
- Promotional items
- Literature
- Aqua-Aerobic will coordinate all paperwork and incur costs for shipping materials to and from the show, or rep office
- Aqua-Aerobic will contribute \$500 per year, per territory. For a territory with multiple states, please discuss with your Regional Manager

Individual 6 foot tall 3-D banner stands can be used alone or combined to create a larger multi-product display.
